## SANDRA ROIG REDWOOD HOUSE B&B WRITING

| I am writing because I have read your advertisement about a Redwood House B&B in a magazine, and I am interested in booking a room.

I am interested in booking a single room for three days, from the 12th to the 15th of august. However, before making a booking I have a number of questions I would like to ask.

| In the advertisement you say that there are is a fireplace and a TV in all bedrooms but, as I am going in a August, I would like to know if there is air conditioning in the bedrooms as well.

| It would be very helpful if you could give me some information of about the public transport links near the house.

I would like to ask, as well, if there is a bathroom in each bedroom or if there are any shared bathrooms. I am interested in a single bedroom with bathroom with jacuzzi and shower.

| Finally, as I can read in the advertisement the price is 200 pounds dollars per night. Could you give me more details about the price? Is it the same for single and double rooms?

I am looking forward to receiving this information as soon as possible so that I can make an early booking.

Best wishes.
