state of disrepair

poor condition of a building or structure due to neglect.

"the station gradually fell into disrepair"

Verge / edge (el limite)	
To be about to + verb + object	
verge	..a punto de
To be on the point of verb+ing + object	brink
<i>"The government is on the brink of collapse."</i>	
<i>"She was on the verge of bursting into tears."</i>	
<i>"I'm about to make a cup of coffee."</i>	
<i>"Scientists are on the brink of finding a cure"</i>	
Work is putting me on edge.	me pone nervioso
I feel a bit edgy.	

This is testament to the fact that:

evidence that something exists or is true

This award is a fitting testament to their high standards.

Their success bears testament to (=shows) the power of young consumers.

to put in an application

The lions share.

below par

Below average; not as good as desired, required, or expected. *This essay you turned in on Friday is really below par. Has something been distracting you from your studies recently? Our food was rather uninteresting, and the service was really below par. I honestly don't understand why this restaurant is so popular!*
