

2017-12-01 FRIDAY Juan Llobell Marek Connell English notes 1,5

in the grip(s) of (something)
 Controlled, dominated, or greatly affected by something, especially that which is undesirable or adverse. *The entire region has been in the grip of a terrible drought. Poor Lauren has been in the grips of pneumonia for nearly a week.*

Monitor a location from the comfort of your sofa using drones, which again, communicate with your mobile.

encroached on
 intrude on (a person's territory, rights, personal life, etc.).

"rather than encroach on his privacy she might have kept to her room"

seldom (rarely)

If you are **in the know** about something, **especially** something that is not known about or **understood** by many people, you have information about it.

It was gratifying to be in the know about important people.

He takes crucial decisions without consulting people in the know.
