

DIALOGUE – 3A

**TASK 2.3
INTERACTION**

STUDENT A

In this part of the exam, you are going to take part in a conversation with the other candidate. The conversation will last about 7 minutes.

A NEW AIRPORT

The government is planning to build an airport 4 miles from Colchester, Britain's first Roman city. It is surrounded by beautiful countryside and is very popular with tourists in summer. However, there is quite a lot of unemployment, particularly during the winter.

At the moment the nearest airport is in Norwich, 55 miles away. A meeting is going to be held tonight to decide whether the airport should be built or not. You are a long-time resident and are against the airport.

Think how the building of the airport would affect the following:

noise at night

cars

historic monuments

local wildlife

number of tourists

prices in local shops

new buildings

new roads

Part of the Roman wall at Colchester

The Roman Balkerne Gate

Colchester Castle

**TASK 2.3
INTERACTION**

STUDENT B

In this part of the exam, you are going to take part in a conversation with the other candidate. The conversation will last about 7 minutes.

A NEW AIRPORT

The government is planning to build an airport 4 miles from Colchester, Britain's first Roman city. It is surrounded by beautiful countryside and is very popular with tourists in summer. However, there is quite a lot of unemployment, particularly during the winter.

At the moment the nearest airport is in Norwich, 55 miles away. A meeting is going to be held tonight to decide whether the airport should be built or not. You are a shopkeeper and are in favour of the airport.

Think how the building of the airport would affect the following:

unemployment
number of tourists
going on holiday
local population

new jobs
new businesses
new buildings
creating wealth
