TASK 2: DIALOGUE

Your local high school is planning to organize after-school activities for the children, and they have asked pupils / parents for suggestions. Each person may choose a maximum of three activities. You prefer non-academic activities such as cooking and carpentry. You are discussing this with a friend.

Choose three activities and explain the reasons for your choice to your friend. Try to come to an agreement on the three you think would be the best. **YOU BEGIN THE DIALOGUE.**
