**MODELO 9**

**A**

**TAREA 2: DIÁLOGO**

The old family car has just broken down again and you need to get another one, but you are a bit short of money. Having taken everything into account (maintenance, cost, payment, consumption...), your option would be a brand-new one, but you would like to discuss it with your family.

Talk to them and reach an agreement on the kind of car you should buy. **You start the conversation.**

**TAREA 2: DIÁLOGO**

The old family car has just broken down again and you need to get another one, but you are a bit short of money. Having taken everything into account (maintenance, cost, payment, consumption...), your option would be a second-hand one, but you would like to discuss it with your family.

Talk to them and reach an agreement on the kind of car you should buy. **A starts the conversation. You are second.**

## TAREA 2: DIÁLOGO

The old family car has just broken down again and you need to get another one, but you are a bit short of money. Having taken everything into account (maintenance, cost, payment, consumption...), your option would be a demonstrator car, but you would like to discuss it with your family.

Talk to them and reach an agreement on the kind of car you should buy. **A starts the conversation. B continues. You are third.**
