TASK 2: DIALOGUE

You are a parent in the Teacher – Parent – Student Committee (TPSC) of your local high school. You are meeting to discuss what course of action should be taken concerning a student who has drawn graffiti on the school walls. You consider this to be a serious discipline problem and would punish accordingly.

Explain how you would deal with the offending student and give reasons for your decision. Try to come to an agreement with your colleagues on the course of action to be taken.
