

**TASK 2**

Oral expression

**TEST 1**

**CONSUMERISM**

We now live in a consumer society and usually spend more than we should. Talk about this subject taking into account the following points:

- Things people buy that they don't really need
- The reasons why people buy unnecessary items
- Whether you are a money spender or a saver and why

**You have 2 minutes for individual preparation. Then talk for 3 – 4 minutes. Your production will be recorded.**
