TAREA 1: MONÓLOGO

Prepare and deliver a monologue about the importance of Cooking / Dieting / Nutrition for young people. Explain whether you think these should be a compulsory subject at school and provide arguments that support your opinion.

TAREA 2: DIÁLOGO

Your friend is thinking about doing a course at university. You think that the best colleges are near home.

Explain to your friend what you think and give him/her some advice. Try to come to an agreement.
