TASK 1: MONOLOGUE

Make an oral exposition about the habits and lifestyle of the two different groups of young people in the pictures below. Why do young people choose to belong to a specific social group? What was your social group like when you were young, or what is it like now?

TASK 2: DIALOGUE

You are a musician and you are sharing your flat with two other people. This past month you have spent long hours rehearsing because you expect to get a place in a prestigious band or orchestra. Lately one of your flatmates has not been doing his / her fair share of housework, specifically not cleaning the flat as agreed when you became flatmates. A clean flat is very important for you as you suffer from allergies.

Discuss the situation with your flatmates and try to come to an agreement to solve the problem. YOU BEGIN THE DIALOGUE.
