TASK 1: MONOLOGUE

Make an oral speech about environmental pollution. Do you think it is a necessary consequence of progress? What can ordinary people do to protect the environment?

TASK 2: DIALOGUE

You are sharing a flat with two other flatmates and you are having some problems. This past month you were a little annoyed by the noise one of your flatmates has been making (he / she is a musician), and also because the other person has not been doing his /her fair share of cleaning the house.

Discuss the situation with your flatmates and try to come to an agreement to solve the problem.
