

SITUATION 9: FOREIGN STUDENTS' VISIT

You are expecting a visit of some foreign students in your school in the middle of March. They study Spanish in their respective countries (though most of them are beginners) and they would like to get to know your country (customs, habits, etc.) better. Talk to your mates (students B and C) and decide what to do. You'll have to prepare some activities for the weekend.

Student A:

You would like to concentrate on some historical sites, so you propose:

- To visit some interesting old castles in the area.
- To go on a guided tour of your town.
- interesting exhibitions, etc.

Also,

- To take them to the beach to have 'paella' for lunch.
- You hate 'Las Fallas'!

- You want to take them out at night.
- You suggest McDonald's or a Pizzería, as most of them would like it.
