TAREA 1: MONÓLOGO

Talk about the importance of foreign languages in today’s world. How can a good level of English influence your career opportunities? Have you ever considered working abroad? What challenges do you think would be the most difficult ones to face?

TAREA 2: DIÁLOGO

A month ago you bought your flat. Every day since then you have been woken early by your neighbours downstairs: too much noise in the morning everyday: the radio, kids running in the corridor, the piano... You can't stand the situation anymore and decide to talk to your neighbour. Try to come to an agreement. Be as polite as you can.

You start the conversation.
