

INTERACCIÓN TRIBUNAL-ASPIRANTE

MODELO 2

LANGUAGE AND COMMUNICATION

1. Why did you decide to start learning English? Do you speak any other languages?
2. How important do you think it is to speak at least one foreign language? Why?
3. What do you use English for?
4. Have you ever had problems communicating?
5. Do you think that one day there will be just one language in the world? Would the world be a better place?
6. How do you usually communicate with your friends and relatives? And with those who are far away?
7. Do you think animals and plants also communicate?
8. What tools do you use if you need to get some specific information? (f.ex. the number of your favourite restaurant or the weather forecast)
9. Do you think the Internet is a good way of communicating and networking? How? What are the main advantages and disadvantages of communicating over the Internet?
10. Do you think that the use of new technologies to communicate is changing the way we speak?
11. How do you get information about what is happening in the world?
12. How often do you... watch TV/ listen to the radio/ read a newspaper/ connect to the Internet? How has this changed in the last few years?
13. Do you think that information is generally accessible to people with disabilities?
14. Do you think that the information provided by the media in your country is always reliable? Why (not)?
15. What is the future of traditional mass media (newspapers, radio, TV...)?
