ADVANCED LEVEL MODEL 6 A

TASK 1: MONOLOGUE

Make an oral exposition about how the different aspects of luck and superstition illustrated in the pictures below affect people’s lives. Talk about a lucky experience of your own.

ADVANCED LEVEL MODEL 6 A

TASK 2: DIALOGUE

Last week you bought a DVD player on sale. When you tried to set it up at home, you discovered that it did not work. Today you take it back to the store and explain your case to the manager.

Invent the details of the situation and decide what course of action you will take (you would like to get a refund). Try to come to an agreement and do not forget your rights as a customer. **YOU BEGIN THE DIALOGUE.**
