TAREA 1: MONÓLOGO

Talk about the pros and cons of shopping online. Have you (or has anyone you know) ever had a problem with their purchase on the Internet? What happened? Will traditional shopping or local shops be replaced by online companies?

TAREA 2: DIÁLOGO

You are a company manager and you want to fire one of your employees because they have not been performing well lately (often late, spending a lot of time checking private emails and weird websites in company time). Yesterday, you caught your employee sleeping at the desk. Very politely, try to come to an agreement.

You start the conversation.
