TAREA 1: MONÓLOGO

Prepare and deliver a monologue about space missions nowadays. Explain whether you think the resources employed on space missions are a waste and provide arguments that support your opinion.

TAREA 2: DIÁLOGO

You plan to send your child to a co-educational school and want your friend to do the same with his/her so that both children go together. Think about different reasons why you believe this type of school will provide the best education.

Discuss your arguments with your friend and try to reach an agreement.
