

## MONOLOGUE C1

*Talk about the following topic (3-4 minutes maximum) using both texts as cues.*

### Travelling

#### **Spiritual journeys.**

Tourism is the new religion; holidays are the modern-day pilgrimages. On the road to Santiago de Compostela, devotees combine the two. You only have to cover 100km on foot, bicycle or horseback to qualify. Relatively few travel the entire length of one of the traditional routes. To walk such a distance is a hard physical and psychological challenge.
