A

TAREA 2: DIÁLOGO

You have been feeling quite stressed lately. You work long hours, you smoke, and drink too much coffee, so you have decided to change your habits and start doing some sport. You have very little free time, so you have been thinking about buying a console and exercise at home with some exercise video games.

Your friend has a similar problem. Try to come to an agreement on the best kind of activity for both of you.
