TAREA 1: MONÓLOGO

What kind of punishment would be most appropriate for teenagers who commit the crimes shown in the pictures below? What should be the minimum age for serving a prison sentence? Is “alternative” punishment more effective when the offenders are minors? Why/not?

TAREA 2: DIÁLOGO

You are a member of the town hall leading a project to build a 10-storey block on the seafront. The administrative process is almost complete, despite the fact that the new tower would block the sea view of a row of holiday houses and also destroy the high eco-value of the area. Be prepared to deal with an irate householder and try to convince them.

A starts the conversation.
